

# How to Checkout a Bicycle

1

Use the Movatic App on your phone to select the bike station you want to rent the bike from. Press 'Rent a Bike at this Station'.

2

Choose the key box for the bicycle you want to checkout. The App will give you a PIN code for the selected key box.

3

You will receive a PIN code for the key box you selected.

4

Enter the PIN code onto the keypad on the key box, and press **ENTER**.

Slide the latch down to open the key box.

5

Remove the bicycle key.

6

Close the key box door, slide the latch up, and press the **ENTER** button to confirm it is electronically locked.

## **IMPORTANT**

Confirm that the latch is locked.

7

Use the key to unlock the bike by inserting the key into the integrated lock and turning the key clockwise. The key stays in the lock.

8

Remove the U-bar from the lock and store on the back of the bicycle frame.

The bike is yours to ride.
